

**Message From the Governor**

The following message received from the Governor was read and was filed with the Secretary of the Senate:

May 19, 1967.

To the Senate, Sixtieth Legislature, Regular Session:

I disapprove and veto Senate Bill Number 517. The body of this bill does not conform to the caption and, under our Constitution and authorities, this destroys its effectiveness as a law.

Although I am not opposed to the apparent intent of Senate Bill Number 517, the caption states that the bill increases the aggregate principal amount of bonds which the District may issue. However the body of the bill contains no such increase. Thus this caption is misleading and under the Constitution, Article 3, Section 35, as construed by the Supreme Court in *State v. Praetorians*, 186 S. W. 2d 973, the bill must fail.

Accordingly, I herewith veto and return Senate Bill Number 517.

Respectfully submitted.

JOHN CONNALLY,  
Governor.
